

## Privacy Policy

All donor information managed by United Way of Abilene is confidential. United Way of Abilene does not distribute, sell, or rent lists of donors or their contact information to any outside entity. We may send thank you notes and gift receipts for tax purposes to donors using their contact information. All donor information is maintained in a secure database.

If a gift is made in honor or in memory of someone, the donor(s) name and address will be sent to the honoree or the family of the deceased person as a courtesy, if the information is available. The actual gift amount is not included in the letter to the honoree.

Some United Way donors are contacted during the annual campaign by volunteers who are trained in the confidentiality policies of the organization. The name, contact information, and giving history of a donor may be given to a volunteer for future solicitation.

United Way of Abilene publishes a Leadership Giving registry in our annual report listing all those who give \$1,200 or more each year. Donors choosing to remain anonymous are not included in the published registry.

Donor records are maintained in a secure environment. United Way does not receive or store credit card data through this online giving system.

This privacy policy may be changed at any time at United Way of Abilene's sole discretion. Any concerns regarding privacy should be addressed to the President/CEO of United Way of Abilene by calling 325-677-1841.
