Home. That's Where Your Story Begins.

"There's No Place Like Home" rings true in our 2024 Annual Campaign chairs - the Watts family - Heather, Paul, and Holly grew up in Abilene and attended Taylor, Franklin, and Abilene High School. Spouses Taylor, Susan, and Ben married into the Watts family and also chose to live and raise their families in Abilene. Between the 3 siblings, they have 10 children ranging from 9 - 23 years of age. Our 2024 Campaign Chairs are longtime community champions, philanthropists, and volunteers: we are grateful for their willingness to serve our community in this way.

We invest in programs that help people right here in our community. Volunteers make the decisions by examining community needs and deciding on effective ways to tackle them. We're accountable and adhere to effective governance practices. Combined with other donors, matching grants, corporate, and in kind gifts, your gift goes even further. We collaborate with local agency partners to improve outcomes and make lasting change.

YOUR PERSONAL INVESTMENT. OUR COMMUNITY'S BLESSING.

The impact of your gift, combined with others, helps solve complex community issues like homelessness and school readiness. Together, we can meet everyone's basic needs. We believe everyone should have the opportunity to live well, learn well, and earn well. We ensure a safety net for our neighbors, help children succeed in school, build financial security, keep families safe, and maintain independence for seniors. For a few dollars a month, we can work together so everyone can truly say, "There's no place like home."
