HAVE A HOLLY JOLLY TIME
FINDING ALL 12 TRAIN CARS
AT WINTER LIGHTFEST!

TINSEL TRAIN

GREAT
Scavenger Hunt

Did you know Abilene has a railroad that runs right through the middle of it? We do! But there is a BIG problem! The train cars saw the lights at Winter Lightfest and are now scattered all over the park! Please help us find all the train cars, starting with the locomotive and ending with the caboose, so that The Little Engine That Could can get back on the rails again!
